The Reserve List constitutes a pool of eligible candidates. In the event that a scholarship is declined, LAWGID Admission and Selection Committee will select a replacement based on a combination of the overall ranking and the mandatory EMJM diversity criteria (including the 10% nationality* cap and gender and diversity balance).

**With 13 scholarships, in principle only one scholarship can be awarded to candidates from the same country, unless there are specific exceptions to this 10% rule.*

This ranking is provisional. The list will not be considered final until:

1. The formal 36-hour appeal period has concluded.
2. All submitted procedural appeals, if any, have been reviewed and resolved by the LAWGID Consortium Management Board (LCMB).
3. The final nominations are ratified by the European Education and Culture Executive Agency (EACEA).

Appeal Procedure

Appeals will only be considered if the candidate believes there has been a failure in the admissions procedure or that they have been unlawfully discriminated against. Appeals are limited to procedural grounds only.

The academic judgment and scoring of the Selection Committee are final and not subject to appeal.

Appeals must be submitted within 36 hours of the publication of this list - **until Wednesday, 13th of May, 2026 at 12:00 noon (CEST, Belgrade, Bratislava, Ljubljana).**

Formal appeals must be sent to the LAWGID Consortium Management Board (LCMB) via email to lawgid@ius.bg.ac.rs. The LCMB will aim to provide a reasoned decision within 24 hours of receiving an appeal.
